

March 30, 2020

Hello to all Wisconsin State Button Society members.

Hopefully, you are well and attempting to follow guidelines set forth by your area health officials during this COVID-19. It is my prayer that all of you stay healthy.

Several have asked about the status of the WSBS Show scheduled for June 25-27, 2020 at the Madison Marriott West, 1313 John Q Hammons Dr., Middleton, WI

Lisa Schulz contacted the facility and has been told that the Madison Marriott is following the guidelines set by our Governor. We will not know until the end of April or maybe later whether we will be able to hold our show in June. If we cannot hold our show in June then an option is to schedule it sometime in the Fall, hoping that COVID-19 will be over by then.

With this uncertainty WSBS has chosen to not mail our Show Supplement at this time. When we are more certain of the show dates then it will be mailed with the Show Registration form and everything you will need to know about the show.

Meanwhile, these days of spending more time at home offer a good opportunity to card buttons, prepare your competition trays, and learn more about the buttons in your collection.

Keep thinking positive - we are all in this together - as families, as organizations and as a nation.
